dedication

In the fall of 1929 there came to Holmes Junior College as football coach a young man destined to play many and important roles in the life of the college. During the next ten years his very capable leadership in the Athletics Department and his winning personality endeared him to all the school and brought him popularity over all of Holmes County.

In 1940 he was named president of the college. Almost immediately came the lean and difficult years of World War II, but he carried on hopefully and cheerfully. In after-war years, following a progressive policy, he did much to enlarge the school and improve its standing among junior colleges. Under his administration, the Veterans' Dormitory, the Music and Science Building, the "Block" Classroom Building, an apartment building for married teachers, a steam laundry, and a dry cleaning establishment were all added to the plant.

In 1948 a severe heart attack compelled him to resign from school work. After his recovery, he devoted himself to agricultural interest where he became a prominent leader in both County and State. However, he was not long out of touch with H. J. C., being made a member of the Board of Trustees in 1950. From that time until the end of his useful life in 1956 he was always vitally concerned in the interest and welfare of the school.

His qualities as a man - his quiet sense of humor, his keen and sympathetic understanding of people, his kindly manner, his ability to give wise and friendly counsel - all of these will long be remembered by the many who were privileged to know him. In heartfelt appreciation of all he has meant to our school, we affectionately dedicate this 1957 HORIZONS to the memory of our friend - MR. RAS M. BRANCH.

THE BUILDER

A Builder builded a temple
He wrought it with grace and skill;
Pillars and groins and arches,
All fashioned to work his will,
Men said as they saw its beauty,
"It shall never know decay;
Great is thy skill, O builder!
Thy fame shall endure for aye."

A Teacher builded a temple
With loving care and infinite care,
Planning each arch with patience,
Laying each stone with prayer.
None praised her unceasing efforts
None knew of her wondrous plan,
For the temple the Teacher builded
Was unseen by the eyes of man.

Gone is the Builder's Temple,
Crumbled into the dust;
Low lies each stately pillar,
Food for consuming rust.
But the Temple the Teacher builded
Will last while the ages roll,
For the beautiful unseen temple
Was a man's immortal soul.

- Author Unknown

Because we see these qualities in Mr. R. W. Almond, Mrs. G. J. Everett, Mr. G. J. Everett, Mr. Billie Montague, Miss Lottie Mae Peebles, and Miss Jessie Van Osdel, we, the staff of the HORIZONS, are pleased to make this SPECIAL RECOGNITION of them.

We, the Annual Staff, have been charged to present herein a brief of Holmes Junior College life of the year 1956-57. This life has not been all of dignity nor yet of sheer frivolity. Innumerable activities have caused the hours of these months to flee like magic. A faithful picture of these times together we have tried to preserve and herein present to you. If, when years have moved you from this hour, in peering back through darkening corridors of time you find these pages to illuminate and color an erstwhile clouded memory, our charge will be fulfilled.

**Sheer Ambrosia
from the Sexton Treasure Chest**

SO PRECIOUS were the blends of Darjeeling, Ceylon and India teas in the old days, they were sent "back home" in miniature treasure chests.

That's why Sexton—tea merchants for over 70 years—pack their Sherman Luxury Tea bags in this carton, a reproduction of the tea chest in which this treasure blend was protected en route and now in the new non-tangling tea bags—125 to the "Sexton Treasure Chest."

alma mater

all hail to thee, oh holmes j. c.,
alma mater, all hail!
thy virtues holy, thy precepts true,
graven on our hearts, shall never, never fail.

thy children here, from year to year,
as we go from thy halls,
shall honor bring and ever sing,
love and peace dwell in thy sacred walls!
